

## **ONE MORE CHANCE**

**Written & Composed by: N’Namdi Olufemi Bryant (My Vocalubrary LLC)**

### **(1ST VERSE)**

**So suddenly she left me  
Without a warning of any kind how could this be  
I wasn’t ready, and never could’ve been  
To hear the news that she’s no longer here**

**So many words that I never spoke  
It could’ve made all of the difference in the world  
Now I sit here with guilt, and wonder what could’ve been  
I think of all of the things she asked of me that I never did**

### **(CHANNEL)**

**I never consoled her enough  
Or never told her enough  
That she was everything I needed**

### **(CHORUS)**

**One more kiss, just one more laugh  
I would do anything in the world just to have  
One more dance just one more chance  
I would do any and everything just to have  
One more chance, just one more chance**

### **(2ND VERSE)**

**Wish I could press rewind or turn back the hands of time  
and start all over again  
Too bad a wish or a dream won’t change a thing  
Cause heaven knows I’d change it all if I could  
Now what am I to do, and where am I to go  
How do I adapt to this reality that she’s not here anymore**

### **(CHANNEL)**

**I should’ve held her close  
I should’ve never let her go  
Instead I took her for granted  
And now she’s gone**

### **(CHORUS)**

**One more kiss, just one more laugh  
I would do anything in this world just to have  
One more dance just one more chance**

**I would do any and everything just to have  
One more chance, just one more chance**

**(BRIDGE)**

**Remember to live with no regret  
To forgive and forget  
And never let the sunset without it been said  
That I love you and I appreciate so much about you!**

**(CHORUS)**

**Give one more kiss, and have one more laugh  
Take all the time in the world just to have  
One more dance and take one more chance  
to love the best that you can  
Cause it could be your last chance**
